Isle of Palms Fire Department
Call Summary
August 2010

8/1/10 Units responded to a report of a lost child on the beach. Upon arrival it was determined the child did not speak English. Fire Department personnel were able to communicate with her and obtain a description of her parents. A search for the parents was begun, and within minutes they were located and reunited with their child.

8/2/10 Units responded to the intersection of Palm Boulevard and 5th Avenue for a possible brush fire. Upon arrival crews found a palm tree and the surrounding ground cover on fire. A 1 ¾" hand line was pulled and the fire extinguished.

8/4/10 Units responded to a residence on Sandcrab Court to investigate a report of a missing elderly resident. Upon arrival at the home, personnel gathered information about the missing person and began a search. After a short search the resident was found walking along Back Bay Drive and returned to their home.

8/5/10 Units received a call of smoke in the house at a residence on Ocean Boulevard. Dispatch advised that all occupants were exiting the building at the time of the call. Upon arrival personnel entered the home and found a light haze of smoke. Following a brief investigation it was determined the source of the smoke was an air handler. The power to the unit was secured and the resident advised to have a maintenance person look at the air handler before using it again.

8/6/10 Units responded to a report of a child locked inside a vehicle. Upon arrival the crew met with the mother and found the child inside a running vehicle. The child did not appear to be in any distress and a locksmith was called. Once access was gained the crew evaluated the child and turned him over to the mother.

8/11/10 Mount Pleasant Fire Department requested mutual aid for a working structure fire. While enroute to Station 4 to provide coverage, Engine 1 was redirected to the scene of the fire. Upon arrival the crew assisted with overhaul on the first and second floors of the residence. Once the assignment was completed Engine 1 was released from the scene and asked to relocate to Station 5 for coverage. After about an hour, Engine 1 was released from standby and returned to the island.

8/11/10 Units responded to a report of a swimmer in distress in the ocean behind Port-O-Call. Upon arrival personnel met with the swimmers father who directed them to the area where his son was last scene. Crews were able to obtain visual contact with the swimmer who was on a sandbar. Boat 6 was launched and proceeded to the sandbar. Once there, personnel retrieved the swimmer and returned him to shore.

Isle of Palms Fire Department
Call Summary
August 2010

8/11/10   Units responded to a report of a kite boarder in distress in the Intracoastal Waterway behind the Carroll Realty building on Palm Boulevard. Upon arrival crews obtained a visual on the kite boarder and prepared to launch a watercraft. Before the craft could be put in the water a civilian watercraft in the area came to the victim and assisted them back to the dock. Kite boarder was evaluated for injuries and released.

8/13/10   Units responded to a report of a "man down" on the beach. Dispatch advised that CPR was in progress at the time of the call. Upon arrival crews found several bystanders performing CPR and assumed care of the patient. As care continued the patient was packaged for transport and loaded in to the bed of Rescue 3. Once off the beach, personnel transferred care of the patient to Charleston County EMS. The patient was transported to East Cooper Hospital.

8/31/10   Units responded to a report of smoke coming from a building at the corner of Ocean Boulevard and 14th Avenue. Upon arrival residents were self-evacuating from the building, but no fire or smoke conditions were visible from the exterior. An occupant from the third floor had made the call and told crews he believed the smoke came from the unit directly below his. Personnel laddered the balcony of the second floor unit and were able to gain access to the unit through the sliding glass door. A thorough investigation of that unit and the adjoining units revealed no signs of smoke or fire. All units returned to service.

Jellyfish sting patients treated – 86

Stingray sting patients treated – 3

Training Report
August 2010

Career Personnel		Volunteer Personnel	
Total Training Hours	1512.75	Total Training Hours	235.25
Hours Per Person	40.90	Hours Per Person	15.70

Additional Training

All career personnel received training on rescue, fire attack, salvage and overhaul, and ventilation.

All volunteer personnel received training on fire attack, and salvage and overhaul.

Medical in-service training covered Medical/Legal Issues, Ethics, Documentation, and Communications.

Chief Graham; Captains Shaun Gadsden, Bob Maibach, and Fred Tetor; and Lieutenants Roger Eagle, Richard Hathaway, and Jason Smith, all completed Supervisory Substance Abuse Awareness training through Alternatives Life Improvement Center. The course also was attended by supervisory personnel from throughout the City.

Captain Bob Maibach; Engineers Seth Bacon and Ryan O'Shea; and Firefighters J.T. Hall and Leroy Todd successfully completed the Responding to Utilities Emergencies class conducted by the S.C. Fire Academy. The day-long course was hosted by the Isle of Palms Fire Department.

Lieutenant Roger Eagle and Fire Inspector Jeff Anderson attended the Quarterly Training for Certified Fire Marshals. These classes are held monthly at different locations throughout the region.

Lieutenant Roger Eagle completed several courses of self-study in emergency management through FEMA. The programs were entitled: "Introduction to Continuity of Operations Planning for Pandemic Influenzas," "NIMS Multiagency Coordination System," and "NIMS Public Information Systems."

Lieutenant Roger Eagle completed five courses of training through the International Association of Arson Investigators. The web-based classes were entitled: "Fundamentals of Residential Building Construction;" "Electrical Safety;" "Wildland Fires Investigation;" "Preparation for the Marine Fire Scene;" and "Understanding Fire Through the Candle Experiments."

Lieutenant Bill Jenkins successfully completed two modules in the "Safety and Health Management Systems for Small Businesses" program through North Carolina State University. The modules were entitled: "Seeking Certification of a Safety and Health Management System," and "Building a Safety and Health Management System."

Isle of Palms Fire Department
Training Report
August 2010

Fire Inspector Jeff Anderson successfully completed a day-long class "Local Situation (RAPID) Assessment" conducted by the S.C. Emergency Management Division at their headquarters in West Columbia.

Engineer Ryan O'Shea successfully completed the National Fire Academy's Preparation for Initial Company Operations through the S.C. Fire Academy. The two-day class was hosted by the Isle of Palms Fire Department. Captain Bob Maibach served as an apprentice instructor in this course and is now qualified as a Lead Instructor for this program.

Firefighter Ed Henry successfully completed the Instructor Orientation Workshop for the NIMS/ICS for the Fire Service course taught by the S.C. Fire Academy.

The volunteer roster is currently at 15 members.

Isle of Palms Fire Department
Public Relations Report
August 2010

8/3/10   Lieutenant Smith, Engineer Carr, and Firefighter Hall, were called to a residence on 56th Avenue to assist an elderly male who had fallen onto the floor. The resident was uninjured and the crew assisted him back into bed.

8/7/10   Lieutenant Eagle, Engineer Micalizzi, and Firefighter Moody, responded to the Links Clubhouse to evaluate an elderly woman who was found along Back Bay Drive. The woman required no medical attention and her daughter arrived to take her home.

8/16/10   Captain Tetor and Engineer Giddens were called to a residence on Chapman Boulevard to assist an elderly female. Upon arrival the woman was found on the bedroom floor and required help to get back onto her bed. Assistance was rendered and the woman required no medical attention.

8/25/10   On-duty personnel went to the First United Methodist Church to assist their staff with assembling the tent for their annual fish fry.

8/27/10   Captain Gadsden was called to a residence on Cameron Boulevard to assist the homeowner with a smoke detector issue. After investigating the problem, Captain Gadsden replaced the batteries in the resident's smoke detectors.

8/29/10   Captain Gadsden; Engineers Giddens and Lawrence; and Firefighter Goodwin, responded to a residence on Carolina Boulevard for an elderly resident who had fallen. Upon arrival it was determined the resident did not need any medical attention. Personnel assisted the man from the floor and into a chair.

8/31/10   On-duty personnel went to the First United Methodist Church to assist their staff with disassembling the tent for their annual fish fry.

8/31/10   Captain Gadsden; Engineers Giddens and Lawrence; and Firefighter Goodwin, were called to a residence on Chapman Boulevard to assist an elderly female. Upon arrival the woman was found on the floor. Assistance was rendered and the woman required no medical attention.
