Call Summary

April 2011

- 4/2/11 Personnel responded to 57th Avenue to assist the Police Department with removing a suspect from an air conditioning platform at the residence. Police officers retrieved the suspect utilizing a Fire Department ladder.
- 4/6/11 Personnel responded to a possible fire inside a residence on Palm Boulevard. Upon arrival there were no visible signs of smoke or fire from the exterior. Crews entered the residence and found an electrical outlet in the bathroom had shorted out. Power was secured at the electric breaker and the area around the outlet was opened up to check for extension. Some charring was found in the wall. Property manager was advised to have an electrician look at the outlet before turning the power on.
- 4/13/11 Personnel responded to a parking lot on Palm Boulevard to investigate a vehicle leaking fuel. Upon arrival the vehicle had left the scene, but a small amount of gasoline was found on the ground. Crew placed absorbent material over the spill. The absorbent material was collected and disposed of at Public Works.
- 4/20/11 Personnel responded to search for a missing autistic child on the beach near the Citadel Beach House. Upon arrival the crew gathered a description of the subject and initiated a search. A short time later the subject was found walking southbound on the beach. Subject was returned to their parents.
- 4/30/11 Personnel responded to a condominium on Palmetto Drive for a person stuck in the elevator. Upon arrival the crew found a person stuck in a stopped elevator car. The person was very distraught. The crew utilized their elevator access keys to open the door and assist the individual from the elevator car. The person did not require any further attention and left the scene. The elevator resumed normal operations after the individual was removed. The property manager was advised of the incident.

Additional Training

All career personnel completed their annual live burn refresher training held at the Sullivan's Island Fire Department training facility. Personnel received additional training in ground ladders, pump operations, and fire cause determination.

All volunteer personnel completed their annual live burn refresher. Personnel also received training in fire cause determination, and policies and procedures.

Lieutenants Richard Hathaway and Jason Smith; Engineers Derek Carr, Victor Lawrence, and Ryan O'Shea; and Firefighter Stephen Goodwin, successfully completed the Advanced Incident Command System course taught through the S.C. Fire Academy. The two-day class was held at the Isle of Palms Public Safety Building.

Fire Inspector Jeff Anderson successfully completed the IFSAC/NFPA Fire Instructor I course taught through the state fire academy. The 40-hour program was taught over two weekends at the Berkeley County Emergency Services Training Facility in Moncks Corner.

Fire Inspector Jeff Anderson successfully completed an on-line course through the International Association of Arson Investigators on the Charleston Sofa Super Store Fire.

Medical in-service training covered Geriatric and Pediatric patients.

The volunteer roster is currently at 10 members.

Public Relations Report
April 2011

- 4/8/11 Captain Tetor and Engineer Bolen assisted an island visitor and her granddaughter who had a flat tire on their bicycle. The tire could not be repaired and they were offered a ride back to Sullivan's Island, but declined because they had family meeting them nearby who could take them home.
- 4/14/11 Engineer Stinnett assisted a resident of Sand Dollar Drive by jump starting their car. Engineer Stinnett first had to assist the resident with removing the car from the garage before providing the jump start.
- 4/17/11 Lieutenant Hathaway and Engineer Pesature assisted an island visitor with a repair to their bicycle at Fire Station No. 2.
- 4/20/11 Firefighters Roscoe and Speelman provided a tour of Fire Station No. 1 to a family visiting from the Upstate.
- 4/23/11 Engineer Everitt and Firefighter Speelman attended the annual Easter Egg Hunt at the Isle of Palms Recreation Center.
- 4/25/11 Chief Graham and Administrative Assistant Golden recovered an injured sea turtle from the front beach area and transported it a medical treatment facility for care.
- 4/29/11 Captain Gadsden; Engineers Bolen and Carr; and Firefighters Heyward, Roscoe, and Speelman; assisted an island resident from their car into their residence.
- 4/30/11 Engineer Puckhaber, and Firefighters Goodwin and Moody, changed out a damaged tire for an island visitor at Fire Station No. 1.

Dear Friends,

The Coastal Crisis Chaplaincy's 20th Anniversary Banquet was a huge success. Our Silent Auction brought in over \$22,000, which is \$6,000 more than last year. We realize, of course, that this was made possible only through the generous donations from you and many others.

At the Banquet, we heard moving testimonials about the effect the Coastal Crisis Chaplaincy has had on two individuals' lives. Mr. and Mrs. Thomas Waring gave their testimony of how the presence of the CCC provided comfort for them during the tragic loss of their daughter. Ms. Betsy Fanning also recounted how Chaplain Farmer was there for her and her family after a tragic event. Both Mr. and Mrs. Waring and Ms. Fanning explained how important the presence of the Coastal Crisis Chaplaincy was during the immediate aftermath of their tragedies, and their testimonials reinforced the importance of and need for the ministry of the Coastal Crisis Chaplaincy in the Charleston community.

Thank you so much for donating an item to our Silent Auction. The money raised will go a long way to help ensure that our ministry stays present. Please keep this letter for your tax records. Our Federal EIN# is 57-0989842. Should you have any questions or need any further information, please do not hesitate to contact our office.

Blessings,

Rob

Dear Chief Graham:

It's been almost 1 month since our 24th Annual Carolina Children's Charity Telethon. With the support of WCBD NBC-2, Lowcountry firefighters and our wonderful community we raised over \$203,000 to benefit Lowcountry children with birth defects and diseases. Thanks for participating in this year's event.

Your ongoing support of our Charity will allow us to continue to serve even more children as new requests for assistance arrive daily. The families we assist are thankful for what we are able to do for them and we could not continue our mission without your support. For 24 years, volunteers have worked tirelessly to ensure that children with a birth defect or disease have access to medically necessary or beneficial items they need, Carolina Children's Charity is there and you are part of that legacy.

On behalf of the hundreds of Lowcountry children who benefit from our services, please accept our thanks. If you know of a child we can help or know a family that may have questions about our services, please refer the family to the office so we can discuss their individual need or situation.

Please also let us know if there is anything the charity office can do for you as firefighters are the heart of Carolina Children's Charity. I can be reached at 843-554-6222 or 843-737-1200.

Thanks again and I look forward to working with you again in the future. If your department has any fundraising ideas and would like to put together an event outside Telethon, please let us know once a date has been set so we can make plans to come out and show our support during the event.

Sincerely,
