Isle of Palms Fire Department

Call Summary

July 2016

- 7/2/16 Personnel responded to a report of a boat that had run aground in the Intracoastal Waterway. Boat 1020 was launched with a Charleston County EMS paramedic on board. Boat 1020 reached marker 99 and found a 21-foot boat on a sand bar. The crew successfully transferred the occupants of the stranded vessel on to Boat 1020 and transported them back to the Isle of Palms Marina.
- 7/5/16 Personnel responded to 23rd Avenue for a report of a dog locked inside a vehicle. Upon arrival the crew found the car was running and the dog was in no immediate danger. As personnel assessed how to access the vehicle, the dog stepped on the button and lowered a rear window. The owner was able to unlock the door. No further assistance was required.
- 7/11/16 Personnel responded to Palm Boulevard for a report of a person with their foot stuck in an air vent. Upon arrival the crew found the resident with their right foot stuck in an air vent. Personnel used a power saw and other equipment to extricate the resident. No further assistance was required.
- 7/14/16 Personnel responded to 22nd Avenue for a report of a structure fire. Chief Graham was the first to arrive on scene and advised all units the fire was out, but there was smoke inside the residence. Crews investigated and found the source of the smoke was burnt food inside the oven. The home was ventilated and all units returned to service.
- 7/17/16 Personnel responded to a condominium on Palmetto Drive for a report of people stuck inside an elevator. Upon arrival the crew found several individuals stuck inside an elevator car, secured the power, and opened both sets of elevator doors. All individuals were assisted from the elevator car and no further assistance was required. Property management was advised to have the elevator serviced before allowing it to be used again.
- 7/19/16 Personnel responded to a report of a watercraft in distress in the Intracoastal Waterway near the Isle of Palms Connector. The Battalion Chief went to the connector and obtained a visual on the boat. The damaged boat had been tied off to another vessel. Personnel made contact with the occupants of the damaged vessel who said they had lost control and hit an elevated boat dock. Boat 1020 arrived on scene with a Charleston County EMS paramedic on board, and assisted with patient care and transport back to the Isle of Palms Marina.
