Subj.: MONTHLY REPORT for MARCH 2008

Date: APRIL 4, 2008

The following is a synopsis of the activities of the Isle of Palms Police Department during the month of March 2008.

Patrol

March 1, 2008 Officers responded to the beach near 29th Avenue where it was reported that a male juvenile had sustained a surfing injury. The officers determined that the subject had been badly cut by the blade of his surfboard through his wetsuit and was serious enough where he needed immediate medical attention, due to severe loss of blood. Fire Department personnel provided immediate medical aid and the subject was then transported to the Recreation Center where he was transported by a Meducare helicopter to MUSC.

March 2, 2008 Just after midnight, a possible drunk driver was reported to be traveling toward the Isle of Palms from Sullivan's Island. An officer located the vehicle and followed it documenting the driver's actions on videotape. The vehicle was stopped and when the officer approached he immediately detected a strong odor of alcohol from within the vehicle. The driver failed several Field Sobriety Tests that were administered and was transported to headquarters where the driver refused to submit to a Datamaster Test. The driver was charged with DUI and transported to the Detention Center.

March 2, 2008 Officers responded to a Palmetto Drive location where it was reported that a male subject had been stabbed. The officers observed the victim to have a deep stab wound to his abdomen. The victim claimed that the wound was accidental and was done while playing around with a knife while drinking alcohol with a female acquaintance. The female subject confirmed that the wound was accidental and occurred after a long evening of consuming alcohol.

March 3, 2008 Just after midnight, an officer on patrol observed a vehicle operating erratically and followed it onto the connector. After the vehicle was stopped the officer detected a strong odor of alcohol from within the vehicle. After failing several Field Sobriety Tests, the subject was transported to headquarters and administered a Datamaster Test where he registered a .29% level of alcohol in his system. He was charged with DUI and transported to the Detention Center.

March 4, 2008 An Investigator responded to the East Cooper Hospital where a female at that location reported that she had been sexually assaulted. An Investigator met with the victim and took her to the MUSC Women's Health Clinic for a forensic examination. It was determined that the incident occurred at a residence on 21st Avenue. Investigators were able to identify the male suspect who fully cooperated with the police department. The investigation continues.

March 5, 2008 Officers responded to a Palm Boulevard residence regarding a reported domestic dispute. Officers separated the couple and determined that the situation had been a verbal argument over the telephone. The female subject was placed on Trespass Notice and advised accordingly.

March 5, 2008 At approximately 6 P.M., an officer responded to a front beach business where an intoxicated subject was reported sitting on the steps of a business. The officer determined that the female subject was extremely intoxicated and unable to provide any personal information or the location where she was staying. She was taken into custody and charged with Public Intoxication.

March 5, 2008 A female subject who was wanted by the Mount Pleasant Police Department came to our police headquarters to turn herself in to authorities for her outstanding charges. A Mount Pleasant officer arrived and assumed custody of the subject.

March 6, 2008 Just after 9 A.M., officers responded to a Grand Pavilion Boulevard residence where a possible domestic dispute had been reported by a family member. Officers were met at the door by the wife who stated that her husband had been drinking alcohol since the previous afternoon and was extremely intoxicated and out of control, but not physical with anyone in the house. No assault had taken place, but to control the subject, the couples grown son had restrained him with duct tape until police arrived. The officers went upstairs and took control of the subject who was loudly yelling profanities that could be heard outside by people walking by. The subject was charged with Breach of Peace and transported to the Detention Center.

March 6, 2008 Just after 10 P.M., an officer on patrol on the beach was advised that when he passed the area of 42nd Avenue, several juvenile subjects ran into the dunes to hide from the officer. The officer returned from a different direction and located subjects parked in a pickup truck at the 42nd Avenue Beach Access. When the officer approached the vehicle, beer bottles were discarded from within the vehicle. One subject

in the vehicle assumed responsibility and was charged with Minor in Possession of Alcohol, No Alcohol on the Beach or Streets and Possession of an Altered DL.

A quantity of marijuana was located and the driver was charged with Simple Possession of Marijuana.

March 11, 2008 Just before midnight, an officer stopped a vehicle on Palm Boulevard for speeding and crossing over the double yellow line several times. It was determined that the driver was nineteen years old and in possession of a quantity of beer and liquor. Due to his age, he was charged with Zero Tolerance of Alcohol, Minor in Possession of Alcohol, and Possession of an Altered DL.

March 12, 2008 After an officer stopped a vehicle for speeding, the officer detected a strong odor of alcohol from within the vehicle. Both female subjects in the vehicle denied that they had been drinking alcohol. A second male subject appeared with a handgun and threatened him not to get up while the two suspects left in their vehicle. Police response was delayed because the victim first went to another location to tell a coworker who then called the homeowner before 911 was called. Due to the television and newspaper coverage of the incident, several anonymous tips have been received. The investigation continues.

March 13, 2008 Officers responded to Forest Trail where numerous residents in the area, many who also reported that a vehicle had been speeding, reported a vehicle collision. The responding officers discovered that the vehicle had failed to negotiate a turn in the road and struck a tree in the front yard of a residence. He was charged with DUI and Open Container and transported to the Detention Center.

The officers clearly heard people talking loudly on the upstairs porch and went to the front door to investigate. The officers spoke to a male subject at the door and observed a large quantity of alcohol containers in plain view. The officers were allowed in and discovered that ten of the eleven persons present were underage to consume alcohol. A keg of beer was located in a bathtub in an upstairs bathroom. The keg was emptied and all remaining alcohol was photographed and destroyed. One subject over the age of twenty-one was charged with Transfer of Gift to a Minor and the remaining eleven subjects were charged with Underage Possession of Beer.

When entry was made to the house with Fire Department personnel the officers observed liquor and beer bottles all over the area, and everyone present appeared to be underage. Two of the nine persons present were over twenty-one and the rest were underage. The sick subject was treated and released on scene. Two subjects present were charged with Transfer of Beer/Wine to Person Under 21, and the remaining seven were charged with Underage Possession of Beer/Wine. A parent of one of the subjects and owner of the home was summoned from Mount Pleasant where she supervised cleanup and assumed responsibility for the subjects until the following day when they were asked to leave.

March 22, 2008 Officers responded to a JC Long Boulevard restaurant where management had reported an unruly and intoxicated subject who had refused to leave the premises. The subject was located and asked to leave the premises and became argumentative using loud profanities that could be heard by every customer present. The subject was escorted outside then refused to cooperate and resisted arrest to the point where physical force had to be used to handcuff the subject. He was charged with Disorderly Conduct and Resisting Arrest and transported to the Detention Center.

All alcohol present was photographed and destroyed.

March 25, 2008 An officer responded to the East Cooper Hospital where it was reported that they were treating a male victim of a stabbing. The victim was very vague in providing information regarding the identity of the suspect and exactly where on the Isle of Palms the incident occurred. It was finally determined that a female subject was responsible and we had arrested her earlier in the evening for outstanding traffic charges. It was determined that the incident occurred in a residence between 35th and 40th Avenue. Investigators conducted a follow-up investigation and identified the suspect but could not prosecute the case because the victim failed to cooperate. This case has been closed.

March 26, 2008 At approximately 2 A.M., officers responded to 17th Avenue where a resident reported a suspicious vehicle driving in their backyard. The responding officer located the vehicle with a male driver passed out behind the wheel. He was charged with DUI and transported to the Detention Center.

The male subject did not wish to press charges, but the female was unable to care for her own self. The officer attempted to get the female to contact a friend to get her home safely and she proceeded to call 911 several times, stating that she was not going to call anyone. The subject was taken into custody charged with Disorderly Conduct and transported to the Detention Center. While on the way to the Detention center in Mount Pleasant, the subject began banging her head on the cage, then began kicking the side window. The officer stopped and when he was attempting to further restrain her, he was kicked in the chest.
