Request for Proposals (RFP 2018-3)  
Removal and Replacement of two (2) Tennis Courts

Addendum #2 – Answers to Questions

1. Would the Mondoten system be an acceptable solution for your tennis renovation?

**Answer: The Scope of work for the project includes, but is not limited to, the following: Removal of existing courts, engineer site drawings for courts using existing footprint, fencing and lighting, site preparation, grading, net posts, all materials, equipment, supplies, furnishings, labor and supervision as necessary, application of two (2) color coatings and line striping per the United Tennis Association regulations.**
