Administrator Tucker announced the sealed bid opening for RFP 2016-02 –Management of the Municipal Parking Lots. The bid was advertised in accordance with the City's Procurement Code on the City's website and in *The Post and Courier*.

The City received one response to its Request for Proposal (RFP) from Palmetto Parking; they submitted a letter declining proposing under the RFP terms stating the minimum required, along with other factors, resulted in a lack of profitability. However, they indicated they were still interested and would assist the City in any way possible.

Respectfully submitted:

Marie Copeland
City Clerk
